

NATIONAL WATER RESOURCES MANAGEMENT AGENCY SIERRA LEONE

APPLICATION FORM FOR WELL DRILLING LICENCES

Please read the following prior to completing the application form.

Pursuant to Section 3(2(b) of the National Water Resources Management Agency Act No.5 of 2017 , no person shall drill and develop a water well without a drilling licence obtainable from the National Water Resources Management Agency (NWRMA).

In order for the NWRMA to process applications for water drilling licence expediently, it is important that you complete the form as detailed as possible and include all the relevant documents. Applications will not be processed unless all the required information is included.

1. Applications shall include:

(a) Business particulars including:

- i. Certificate of incorporation
- ii. Certificate to commence business.
- iii. Objects of the company
- iv. List of Directors
- v. Certificate of change of name (where applicable)
- vi. Name of company's representatives +
+pollution.

(This applies to private businesses only).

(b) Tax clearance certificate

(c) Value Added Tax (VAT) Certificate

(d) Sierra Leone Road Safety Authority (SLRSA) proving ownership of vehicles, drilling rigs and accessories

(e) List of drilling equipment and their specifications

2. Attachments

Where attached sheets and other technical documents are used in lieu of the space provided, indicate appropriate cross-references. Paragraphs that are not applicable to your application should be marked as "N/A". *(List of key personnel and referees should include CV of such persons).*

3. Administrative, processing and licence fees.

The administrative fee of Fifteen thousand New Leones (**NLE 15,000**) for provincial areas other than Bo and Makeni cities and One Thousand New Leones (**SLE 1,000**) for Western Area, Bo and Makeni cities only. The fees cover costs for site visit and for processing the application.

Licences Fess is NLe 17,000 and NLe 25,000 for classes B and A respectively. Administrative fees for processing the application shall be paid on submission of the completed application form for a water drilling licence and submit the pay-in-slip.

The administrative fee for foreign contractors whose well drilling equipment are not located within sierra Leone will be determined by the Agency based on the location of the drilling equipment. This fee is non-refundable.

All payments should be made to the following:

Account Name: National Water Resources Management Agency (SLE)

Bank Name: Bank of Sierra Leone

Account Number: 0111004067

BBAN Acct No: 000001011100406701

Only certified cheques made payable to NWRMA is accepted.

4. Time required for processing.

On the precondition that the application has been completed correctly, the average length of time required to decide on a drilling licence's is within two (2) months from the date of receipt.

5. Renewal of licence.

An application for the renewal of the licence may be made to NWRMA not later than thirty (30) days before the expiration of the licence.

Quarterly reports for all well(s) drilled **MUST** be submitted to the National Water Resources Management Agency not later than two weeks at the end of each quarter. Failure to submit the quarterly well drilling reports will lead to the refusal of issuing a well drilling licence

For any clarification on any provision of the application form, please consult with the NWRMA Secretariat on the contacts below and applications may be delivered in person at NWRMA's address, below:
